EXAMINER'S AMENDMENT

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on September 27, 2004, Denise Glassmeyer on behalf of Andrew Basile requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 25-0115 the required fee of \$110.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claims 1-34 are canceled by a previous amendment.

In claim 35, lines 12-13, delete "at least one of polyamides and thermoplastic elastomers, or";

and insert on line 15 after "vinyl acetate" (second occurrence) and before the period --, and mixtures thereof--.

Cancel claim 36.

Art Unit: 3752

The above amendment was required to put claim 36 limitations into claim 35 to overcome the rejection under double patenting, and then remove duplicate language by canceling claim 36. Such places the application in condition for allowance.

Hook whose telephone number is (703) 308-2913 until mid November at which point it will change to (571) 272-4903, and on October 1, 2004 the examiner's art unit designation number will change to 3754. The examiner can normally be reached on Monday to Wednesday, work at home Thursdays.
